

Night Lane Closures Planned at Intersection of US 70 North Main Street And Elks Drive/North Triviz Drive Week of Feb. 12-16, 2024

Update as of February 8, 2024

NOTE: All construction is weather permitting and is subject to changes without notice.

CONTACT for questions and concerns: **Patti Watson, 505-245-3134 office; 505-269-9691 cell;**
pattiw@cwastrategic.com

From **9 p.m. each evening to 5 a.m. the following morning** from **Monday, Feb. 12** through **Friday, Feb. 16, 2024**, crews will remove the existing traffic signal at the intersection of US 70 North Main Street and Elks Drive/N. Triviz Drive and install a temporary traffic signal.

During this work, the right-hand lane of N. Triviz Drive east of US 70 North Main Street and the right-hand lane of US 70 North Main Street north of N. Triviz Drive will be closed.

In addition, there may be other occasional lane closures across US 70 North Main Street, N. Triviz Drive and Elks Drive for crews to pull equipment across these roadways. As needed, a flagger will be on hand to direct traffic.

ACCESS will be maintained to **ALL** businesses during this work.

The speed limit is 35 miles per hour throughout the construction zone.

Motorists are encouraged to be patient, expect delays and look out for construction crews and equipment.
